<b>16</b>	<b>Any other information that customer would like to furnish:</b>			
<b>17</b>	<p><i>Please note that unless advised otherwise in writing, we will assume that you are in agreement with us sub-contracting work / using of contracted technical experts if required with this application. KL Exert Certification (KLEX) services are rendered in accordance with the applicable KL Exert Certification General Terms and Conditions for Certification Services accessible at <a href="http://www.klcs-exert.com">www.klcs-exert.com</a>. Attention is drawn to the limitations of liability and to the clauses on indemnification and jurisdiction. By signing this document, the client confirms that he/she accepts the applicable KL Exert Certification General Terms and Conditions for Certification Services. Test Lab will report observed values in the test report. Please inform if you want conformance from the lab for any limits. If yes, the lab will refer to its internal procedure (based on ILAC G8) for reporting conformance.</i></p>			
<b>18</b>	<p><b>Declaration by the Customer:</b>  <i>I/We declare that product will be made according to the approved design document and subsequent changes, if any, would be introduced in the approved design with the written permission from the certifying authority on the basis of testing at KLEX. I/We declare that an application for product certification of the product listed above has not been lodged with any other notified body.</i></p> <p><b>For:</b></p> <p><b>Signed by:</b> _____ <b>Designation:</b> _____</p> <p><b>Signature:</b> _____ <b>Date:</b> _____</p>
